

Your **Union Membership** allows you to participate in the following money saving programs!

Union Member Life Insurance vs. FEGLI

Did you know that changing your FEGLI could save you a full year's salary? Can you afford a FEGLI cost increase of more than 280% from age 65 to 80 after you retire? We have a better option! Family coverage is also available with higher coverage amounts for family members. Guaranteed Issue options available.

✓ PERMANENT COVERAGE

When properly funded, your death benefit will stay level until age 100. Unlike the Government's Term plan, your Union Member Life policy is designed for you to keep forever!

✓ CASH ACCUMULATION

Your policy builds a tax-deferred cash value. Your cash value earns interest and can be used to supplement your retirement, educational funding, or any other purpose you choose. You can take loans from your policy if you need the cash in the event of an emergency, make withdrawals from your policy, or even use your cash value to pay your premiums if you choose to do so. The Government's FEGLI plan has no cash value at all!

✓ AFFORDABLE PREMIUMS

The premiums are designed to stay level—the price will not increase as you age! With FEGLI, once you turn 35, the cost increases every five years!

✓ WHAT HAPPENS IF YOU CHANGE JOBS?

The policy can be taken with you as long as you continue to pay the premiums. With FEGLI, if you ever leave Federal service, you lose all of your life insurance coverage. Since there is no cash value in FEGLI like there is in the Union Member Life plan, you cannot get back any of the money you have already spent on FEGLI!
